Limelight

/lajmlɔjt/

Meaning: public attention and interest (Cambridge Advanced Users Dictionary)

*Flash, flash
Soak me up
Breathe my perfume
Watch me hug my monsters
Feel free to bask yourself in me*

*Rise, rise
Tweet your voice
Make it viral
Watch it reverberate
And occupy a potent force*

*Sell, sell
Move your shares
Let us own you
Watch us hike up your debt
Don't expect us to bail you out*

*Sing, sing
Your sweet chords
Fill the silence
Watch our faces indulge
Command every molecule this night*
